

UX Testing + UI Iteration

	User Interface: <i>How could the styling of elements be changed to make a more visually appealing, clear, and space efficient layout?</i> (ex: sizes, colors, fonts, alignment, etc.)	User Experience: <i>What elements of the user experience could be improved to make the page more intuitive and more fun/satisfying?</i> (ex: sounds, hover effects, press effects, etc.)
User 1 Name: Valerie (AKA little kid)	<ul style="list-style-type: none">• Make sure that the facts are bigger• Make sure the text is centered• 	<ul style="list-style-type: none">• Cut the song for ronaldo by the entire intro or tell people to wait like 40 seconds• •
User 2 Name: Mark Gutierrez	<ul style="list-style-type: none">• Make the images not distort• Make text bigger and centered• 	<ul style="list-style-type: none">• Somehow make it more obvious on what you can click• •
User 3 Name: Nate	<ul style="list-style-type: none">• "Use claude ai to make ur site better cuz its poo poo rn" Nathaniel Castillo• • 	<ul style="list-style-type: none">• "Its just bad, give us edit access and we will make it better" Nathaniel Castillo• •
User 4 Name: Chely (Grandma)	<ul style="list-style-type: none">• Bigger word• More informatio• Change the Font to makee it better	<ul style="list-style-type: none">• Ronaldo video plays annoying sound for too long• Make the audio of the video disappear and only one song at a time•
User 5 Name: JR (My brother)	<ul style="list-style-type: none">• The phone view images are to stretched• The white background is too big and plain with small text	<ul style="list-style-type: none">• Add a sound on click to make more satisfying• Make images blend together more on home page• Make reset button to home page

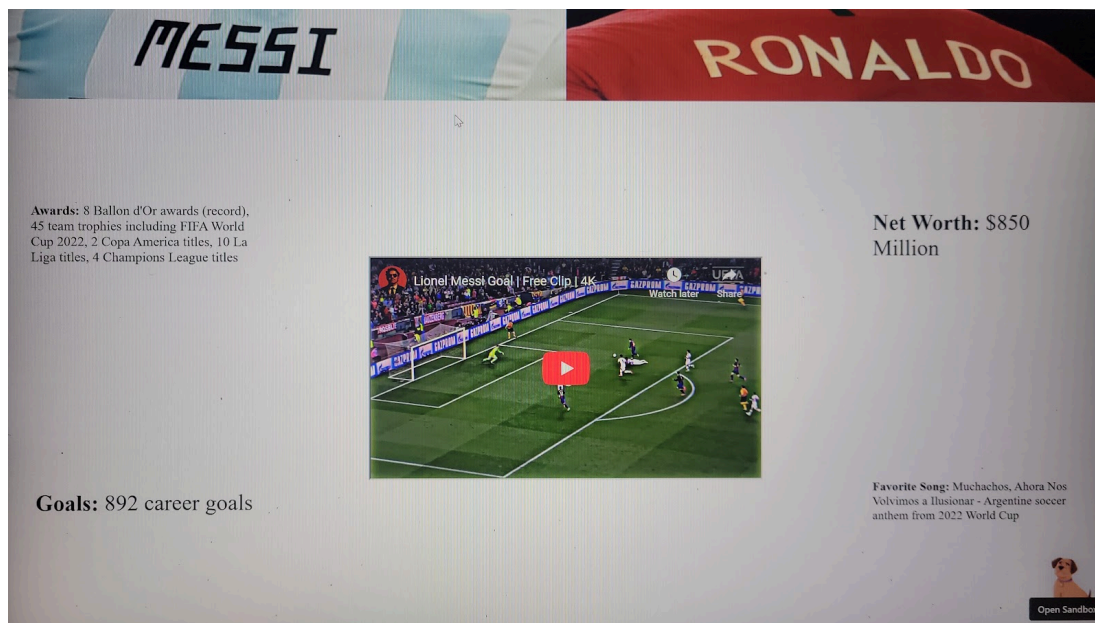

UI Before Feedback (Screenshot / GIF)

What trends did you identify in your feedback?

- Fix images
- Make it more obvious what to do
- Make text centered and bigger
- Fix ronaldo song so it plays immediately
- Make text bigger based on screen size
- Add more information

UI After Feedback (Screenshot / GIF)

What changes did you make to improve your UI?

- Added padding to text to center it
- Made the text larger depending on the size of the box
- Change the brightness of the messi and ronaldo names to make it more noticeable
-
-
